O.P. No.25 of 2018

Between:

Southern Power Distribution Company of Andhra Pradesh Ltd.,

... Petitioner

And

M/s. Waaneep Solar Pvt. Ltd.,
.

.... Respondent

This Original petition has come up for hearing finally on 15-12-2018 in the presence of Sri P. Shiva Rao, learned Standing Counsel for the petitioner and Sri Srinivas Mantha, learned counsel for the respondent. After carefully considering the material available on record and after hearing the arguments of the learned counsel for both parties, the Commission passed the following:

ORDER

Heard Sri P. Shiva Rao, learned Standing Counsel for the petitioner and Sri Srinivas Mantha, learned counsel for the respondent.

The respondent has no counter and has no objection for the reliefs claimed by the petitioner being granted. This petitioner proposes to incorporate certain

amendments in the existing Power Purchase Agreement between the parties to give effect to and implement the orders of this Commission in O.P.No.16 of 2017 dated 14-06-2018. The adoption of the lower tariff of Rs.3.74 ps per kWh and taking the Scheduled Commercial Operation Date as 02-08-2018, the actual date of commissioning of the project, apart from deletion of clause 10.5 are in tune with the said orders of the Commission and are in the best interests of the petitioner and the consumers, while the respondent had the advantage of having the Power Purchase Agreement between the parties restored to life, notwithstanding the delay in commissioning of the project earlier as originally agreed upon between the parties. Therefore, the prayer for giving consent for the proposed amendments has to be accepted in the interests of justice.

Therefore, the consent of the Commission for the proposed amendments entered into and initialled by the petitioner and the respondent is hereby granted and the Original Petition is allowed accordingly. No costs.

This order is corrected and signed on this the **15th day of December, 2018.**
