In. I.A.No.17 of 2010

1. Non-conventional Energy Development Corporation of A.P Ltd., [herein after referred to as “NEDCAP”] filed petition on 13-07-2010 praying the Commission to pass orders specifying the tariff payable by Discoms to project proponents, so as to enable Discoms to enter into PPA with the generator together with a covenant of tariff.
2. Commission having carefully examined the above said petition and having heard the parties on record, hereby directs as follows:

In the said order, para 6 (c) shall be substituted by the following:

“The levelised tariff, for Roof Top and Small Solar Power Projects connected to Distribution network, shall be the CERC determined tariff (i.e. the tariff that is used for computing GBI) and shall remain

constant for 25 years. The levelised tariff shall accordingly be as follows:

Year of commissioning of the project	Solar PV projects		Solar Thermal projects	
	Tariff without accelerated depreciation benefit	Tariff with accelerated depreciation benefit	Tariff without accelerated depreciation benefit	Tariff with accelerated depreciation benefit
2010-11	17.91	14.95	15.31	12.85
2011-12	17.91	14.95	15.31	12.85
2012-13	--	--	15.31	12.85

The levelised tariff indicated in the above chart shall be inclusive of the Generation Based Incentive (GBI) calculated with a base rate (effective net cost to the Discom) of Rs.5.50 / kWh (or the modified base rate with escalation factor of 3% per annum) available under the scheme of Roof Top and Small Solar Power Projects and shall be subject to the terms and conditions stipulated in the scheme.

This order is signed by the Andhra Pradesh Electricity Regulatory

Commission on this 14th day of July 2010.
