

ANDHRA PRADESH ELECTRICITY REGULATORY COMMISSION

4th Floor, Singareni Bhavan, Red Hills, Hyderabad 500004

Draft Order Dated 26-03-2024

**In the matter of
Determination of Variable Cost for the FY 2024-25 to FY 2028-29 in
respect of the existing Biomass, Industrial Waste and Bagasse-based
power plants.**

<<o0o>>

The Commission vide order dated 10.02.2020 in O.P.No.75 of 2019, determined the variable cost for Biomass, Industrial Waste and Bagasse projects for FY 2019-20 to FY 2023-24 with an annual fuel price escalation of 5%. The fuel price applicable for FY 2023-24 is as follows.

Financial year	Biomass/Industrial waste(Rs./Unit)	Bagasse (Rs./Unit)
FY 2023-24	5.80	3.82

As the tariff is to be fixed for the next control period from FY 2024-25 to FY 2028-29 and in the absence of any information being available for working out the above tariff, the Commission proposes to continue the same variable cost approved for FY 2023-24 for Biomass, Industrial Waste and Bagasse based projects for future i.e from FY 2024-25 to FY 2028-29.
