Letter No. APERC/Tariff/ Trans-5th CP MYT/ D.No. 1603/2024-25, Dt 24.12.2024

Sir,

**Sub:-** APERC - Levy of transmission charges on REOA Generators on a kWh basis as per MYT Transmission Order for the 5th CP- Clarification - Issued - Reg.

**Ref:-** Ltr No/CGM (Comml & GM (Comml)/DGM (Comml)/F.APERC /  
D.No. 464/2024 Dt 05.12.2024

<<oOo>>

In the letter under reference cited, APTRANSCO sought clarifications from the Commission on the levy of Transmission Charges regarding RE Open Access Generators.

After carefully examining the matter by the Commission, the following clarifications are issued.

- a. Intra State Transmission Charges for RE Open Access Generators shall be billed as per the schedule of rates given in the last row of Table 5.4 of the MYT Transmission order for the 5th CP. For interstate RE users, the charges as made applicable to Non-RE/Conventional generators shall be adopted. For security deposit (SD) collection regarding RE open access, the SD may be collected based on the estimated energy corresponding to CUF as per CERC Tariff Regulations specific to the RE source.
- b. Transmission charges shall be levied based on actual energy injected at the entry point into the system.
- c. If there is any revenue shortfall compared to the approved in the MYT Order during any year of the Control Period, AP Transco is at liberty to seek remedy as per the directions contained in the MYT Transmission order and Regulations in force.

**(By order of the APERC)**

Yours faithfully,

Commission Secretary<sub>(I/c)</sub>
