<<< o0o >>>

The Commission published its Calendar for the year 2020 in the month of January, 2020. For the last nearly two months, the Commission could not conduct its sittings. This is due to the restrictions placed on the movement of population by the local governments all across the country in view of the prevailing Covid19 pandemic. Therefore, the Commission decided to increase the number of its sittings to compensate for the lost sittings.

In view of the foregoing, the Commission, in partial modification of the published calendar for the calendar year 2020, will meet on all the working days from 18th May, 2020 to 8th June, 2020 either at the commission’s office or online.

(By order of the Commission)
