PUBLIC NOTICE

Section 87(1) of the Electricity Act, 2003 specifies that the State Commission may, by notification, establish with effect from such date as it may specify in such notification, a Committee to be known as the State Advisory Committee(SAC). Section 87(2) of the said Act stipulates that the SAC shall consist of not more than twenty-one members representing the interests of commerce, industry, transport, agriculture, labour, consumers, non-governmental organisations and academic and research bodies in the electricity sector. The Commission notified the Andhra Pradesh Electricity Regulatory Commission (Constitution of State Advisory Committee and its Functioning) Regulation, 2004, under the aforementioned sections. The term of the previous SAC, constituted under the above provisions, ended in July 2024.

Therefore, the Commission has decided to reconstitute the SAC for a further term of three years and invites nominations from eligible persons. The nominations must be submitted to the office of the Commission on or before **21.12.2024** along with documentary evidence clearly demonstrating how the intending nominees meet the requirements stipulated in Section 87(2) of the Electricity Act, 2003.
